

Global Awareness ILO:

Graduates of Westmont College will recognize global interconnectivity and evaluate the systemic roots of major global challenges from the perspective of justice, discernment, and Christ-like love.

Thinking Globally GELO

Students will be able to describe and analyze the dynamics of a particular artistic, economic, political, or social connection across cultural or regional boundaries.

World History GELO

Students will acquire literacy in the histories of diverse people across the globe and reflect on the importance of world history for the Christian.
